Details will be retained on the surplus property mailing list for a period of one year from the date of application, after which they will be deleted. Applicants wishing to continue to receive particulars after this period should therefore renew their request at the appropriate time. Whilst every effort will be made to ensure particulars are forwarded in accordance with the mailing list details, this service is provided as a courtesy only and should not be relied upon as a substitute for specific enquiries. Surplus County Council property will continue to be advertised in the press and interested parties are advised to respond to advertisements in the usual way to ensure that they receive the particulars they require.
