Children & Young People's Services

Find the place you want for your child in a school or nursery.

Make sure that your child receives the help they are entitled to if they have extra needs.

help

find

move

Support your child to make the move from nursery to primary, or primary to secondary school.

Choose the right secondary school for your child.

choose

How can we help?

We are here to help you

support

Support you to find out if your family are entitled to free school meals and/or free nursery education.

Work with your child's school to provide study packs whilst you are travelling.

study

living

settle

Work with you, your child and the teachers to help your child settle into school or nursery and do their best.

Make sure that your child's school understands your way of life.
