DEMOLITION WORKS

Demolition cannot be commenced until the Local Authority has been informed of the demolition, in writing and the Local Authority has served a counter notice, or six weeks has elapsed after notification is given. The notice to the Local Authority must specify the building to which the demolition relates and the works of demolition intended to be carried out. A copy of the notice must also be sent to:

- (a) the occupier of any building adjacent to the building to be demolished
- (b) any public gas supplier in whose authorised area the demolition is taking place
- (c) the public electricity supplier in whose authorised area the building is situated, and
- (d) any other person authorised by a licence to supply electricity

EXEMPTIONS

The requirements do not apply to demolition:

- (a) in pursuance of a demolition order made under Part IX of the Housing Act 1985
- (b) of an internal part of a building which is occupied and which is intended to continue to be occupied
- (c) of a building not more than 1750 cubic feet, measured externally (approx. 50 cubic metres)
- (d) of a greenhouse, conservatory, shed or prefabricated garage even if such structure forms part of a larger building; and
- (e) of an agricultural building unless it is near/touching another building that is not itself an agricultural building or a building mentioned in c) and d) above.

NOTICE GIVEN BY THE LOCAL AUTHORITY

The counter notice referred to above, given by the Local Authority may require all or any of the following:

- (a) to shore up any building adjacent to the building to which the notice relates
- (b) to weatherproof any surfaces of an adjacent building that are exposed by the demolition
- (c) to repair and make good any damage to the adjoining building caused by the demolition or by the negligent act or omission of any person engaged in it
- (d) to remove material or rubbish resulting from the demolition and clearance of the site
- (e) to disconnect and seal, at such points as the Council may reasonably require, any sewer or drain in or under the building
- (f) to remove any such sewer or drain and seal any sewer or drain with which the sewer to be removed is connected
- (g) to make good to the satisfaction of the Council the surface of the ground disturbed by anything done under paragraph (e) or paragraph (f) of this section
- (h) to make arrangements with the relevant statutory undertakers for the disconnection of the supply of gas, electricity and water to the building
- (i) to make such arrangements with regard to the burning of structures or materials on site as may be reasonably required;
 - i) if the building is or forms part of a special premises, by the Health and Safety Executive and the Fire Authority, and
 - ii) in any other case, by the Fire Authority, and
- j) to take such steps relating to the conditions subject to which the demolition is to be undertaken and the condition in which the site is to be left on completion of the demolition as the Council may consider reasonable for the protection of the public and the preservation of public amenity.

A copy of a notice to serve on the Local Authority is attached to this note. You are reminded to send a copy of the notice to the occupier of any adjoining building etc.. This notice should be returned to:
