[Martyn Stenton] Hi there, my name is Martyn and I chair the County Durham SEND strategic partnership. We are really pleased that the government have now published the SEND Green Paper and is inviting views on it.

We would like to hear feedback from people across County Durham to help to inform our response and to ensure it represents children and young people, families and colleagues who work in education, health and social care.

[Martyn Stenton] We would also like to build on our approach to SEND in County Durham though this. So please give us your views, complete a survey, or come to one of the events taking place shortly, thank you.
