

Transcript - Mackenzie Procurement Category Specialist

00.00-00.05

[Mackenzie working on computer, music playing]

I joined the council in September 2018

00.06- 00.15

[Mackenzie talking to camera, music playing]

So coming up to 5 years now and I was one of the first procurement graduate apprentices within the team, so that's an achievement within itself.

00.16-00.21

[Mackenzie working on computer, music playing]

A proud moment for me would be working my way from

00.22-00.25

[Mackenzie laughing, smiling and talking, music playing]

Cooperate community graduate apprentice to procurement category specialist.

00.26-00.31

[Mackenzie talking to camera, music playing]

By completing all 3 levels of my chartered institute of procurement supply.

00.32-00.38

[Mackenzie working with female colleague, working on computer, music playing]

Qualification so that would be level 4,5 and 6. I choose Durham because I wanted to be able

00.39-00.42

[Mackenzie speaking to camera, music playing]

to have a positive impact on the community In which I live it, and I think we do that

00.43-00.46

[Mackenzie working on computer, music playing]

Really well through the social value initiative that we have going at the council

00.47-00.53

[Mackenzie talking to camera, music playing]

Which means we are maximising the value of every county Durham pound spent making sure we are benefitting those who reside within the county.

00.54-00.58
