The background is blue. The Employability Durham logo appears in the top left of the screen and a QR code in the bottom left with text above that reads 'Get in touch'. Two large circles are also on screen. One with a young woman holding a pen and the other with text inside that reads 'Live in County Durham? Aged 25 or over?'.

The circles then move off screen and new text appears that reads 'Ready to start thinking about a brighter future?' A large circle also appears with text inside that reads 'Talk to our advisers and start planning today!'.

Four circles then appear on screen. The largest one has text inside that reads 'Opportunity awaits!'. A dark blue ring then circles the others one after another. It goes in the following order; each circle has text inside that reads '1:1 specialist advice and guidance around work and training.' 'Explore all your options!'. 'Upskill and gain confidence'.

Everything clears off screen and the Employability Durham logo is seen in the top right corner. The Durham County Council logo in the bottom right and the Funded by UK Government logo in the top left.
