CONDITIONS OF USE

Construction Permit

Construction permits will only be issued by the Parking Shop to building contractors undertaking work at a defined residential property within the CPZ. The permit costs either £30 per week or £120 per month.

The permits are for use in any of the building contractor's vehicles as they do not have the vehicle registration number printed on it.

Permits cannot be used in vehicles weighing over 7.5 tonnes or those longer than 6 metres.

The permit allows builders to park in permit holder only areas (the permit does not apply in pay and display areas).

A maximum of two permits will be issued per residential property for a maximum period of one month in any twelve month period. An extension may be offered at the discretion of the Parking Manager where the building project is subject to planning permission.

Construction permits are zone specific and cannot be used in any zone other than the zone in which the residential property is located.

A construction permit does not allow parking in contravention of any other restriction such as waiting or loading restrictions or bays designated for specified purposes. Failure to follow the rules may result in a penalty charge notice being issued by a civil enforcement officer.

The issue of a construction permit does not reserve or guarantee the availability of a parking space.

The permit can be purchased in person at the Parking Shop, or alternatively payment can be made by telephone or post and the permit can be sent out by post.

Lost/Stolen Permits

All lost or stolen permits must be reported immediately. Lost or stolen permits will be cancelled and replacements charged at £10.00 per permit.

General Conditions

1. The Council has the right to withdraw or cancel a permit at any time. You will be notified of the withdrawal or cancellation in writing at the address shown on your application. The permit will be invalid three working days after notification in writing is posted.
2. The permit will become invalid and must be returned if:
 - a) you move from the area;
 - b) where circumstances change since the application such that the permit is not in compliance with the requirements of the Conditions of Use;
 - c) where it appears there has been abuse of the system for the advantage of the resident, or others or for financial gain.

A quarter of the annual fee may be refunded for every whole quarter for which the permit would remain valid.

3. The permit must be displayed conspicuously in the windscreen of the vehicle so it is clearly visible from the outside.
4. Any unauthorised alterations to the permit will render it invalid.
5. Permits will not be issued for passenger/goods vehicles weighing over 7.5 tonnes or those longer than 6 metres.
6. You must produce evidence that you are entitled to a permit when asked to do so by a representative of the Council.
7. You must obey the law relating to parking and obstruction of the highway. A permit is only valid in areas designated for permit parking. Any penalties incurred for parking on yellow line restrictions, disabled bays or loading bays are the responsibility of the vehicle owner/registered keeper.

8. Where an Authorised Officer of the Council has reasonable cause to believe that a permit(s) issued in accordance with these conditions has been wrongly acquired or not used in accordance with these conditions or there was intent to deceive, the officer may invalidate a permit(s) issued to the residence. This includes (but is not limited to) the use of a visitor permit when the vehicle is not being used for the purpose of visiting a property within the CPZ.
9. If action is taken following a breach of these conditions, the applicant may make a representation to Durham County Council's Parking Manager for a review of their case.
10. Abuse or continued misuse of a permit(s) will result in suspension of issue of further permits and the right to reapply will be reviewed annually.
11. By purchasing and using a permit(s) the holder(s) accept(s) these Conditions of Use.
12. Applicants are advised that the data held by Durham County Council in respect of their permit may be used for cross-system and cross authority comparison purposes for the prevention and detection of fraud.
